

**User and Training Conference | The Americas
Agenda**

About the Conference

i2 User and Training Conference | The Americas

Join us in Washington, DC for the ultimate i2 experience at the upcoming User and Training Conference this November.

As the largest gathering of i2 professionals in North America, this event offers an exciting opportunity to explore the latest i2 innovations, sharpen your tradecraft, and deepen your expertise through advanced training sessions. Below you will find our training agenda, for more details visit our website.

This two-day conference is essential for anyone eager to enhance their skills and unlock the full potential of their i2 deployment. With a packed agenda of expert-led sessions, practical workshops, and invaluable networking opportunities, you'll be able to connect with peers and learn directly from some of the industry's top talent.

i2 training sessions

We offer two opportunities to participate in our training sessions by running the same program on both days.

Our sessions are graded 1 to 3, where Level 1 - Foundation is aimed at users that are new to the product, self taught or in need of a refresher and Level 3 - Experienced is for users that have a very good grounding in the software and want to take a deeper dive into functionality.

Training session information		
Time	Track one	Track two
1130 - 1230	Session 1 Level 1 - Foundation i2 Analyst's Notebook Structure is everything!	Session 2 - Level 2 - Intermediate i2 Analyst's Notebook Importing: Spotlight on financial data
