

**Hilton**

London Docklands Riverside

Travel should take you places™

## How To Get Here

### By River Taxi

The hotel operates a complimentary River Taxi service from it's own pier to Canary Wharf pier. Connecting services to various London Piers are available from Canary Wharf. Please contact Guest Services for timetables

### By London Underground

The hotel is situated on the Jubilee line and can be accessed as followed:

#### From Canary Wharf Station

Exit Canary Wharf Underground Station and turn right onto South Colonnade, take a right on the colonnade and follow for 5 minutes to water front and Canary Wharf Pier. From here we run a complimentary River Taxi to the hotel.

#### From Canada Water Station

When exiting Canada Water Station take the C10 public bus service from bus stop B1 to Hilton London Docklands Riverside bus stop.

### By Road From Tower Hill

Tower hill to the hotel is an approximate 10-15 minutes drive. From the south side of Tower bridge, turn left into Tooley Street continuing into Jamaica road. At the large roundabout (which marks the southern entrance to the Rotherhithe Tunnel) turn left into Brunel Road, continuing into Salter road. Turn left at the YHA and immediate right into Rotherhithe Street. Hilton London Docklands is on the left-hand side approximately ½ mile.

### From Canary Wharf/Limehouse Link

Exit the Limehouse Link tunnel in the right-hand lane and turn right at the lights immediately outside the tunnel exit. Proceed the short distance up Butcher Row and turn right at the lights to A13 Commercial Road. Stay in the right-hand lane under the railway bridge and turn right at the lights into the narrow approach road to the Rotherhithe tunnel. As you exit the tunnel take the third exit to Brunel Road, continuing into Salter road. Turn left at the YHA and immediate right into Rotherhithe Street. Hilton London Docklands is on the left-hand side approximately ½ mile.
